

SECTOR CONNECTOR

Do you support people with disability who are experiencing domestic violence?

The Sector Connector is available to provide information, advice, linkages and mentoring to organisations or employees to ensure that women and children with disability experiencing violence have access to suitable services and remain safe.

How we can support you:

- Information and advice to facilitate positive outcomes for people with disability experiencing violence.
- Mentoring and guidance on a case by case basis.
- Linkages and connections across both FDV and Disability sectors.
- Review of operational processes to implement best practice and ensure the needs of people with disability are considered throughout service delivery.
